

EQUINE CONFIDENCE COURSE AND DE-SPOOKING CLINIC WITH NATIONAL MOUNTED POLICE SERVICES

SEPTEMBER 16TH & 17TH | TRIPLE C PLEASURE HORSES

Have a **spooky** horse?
Believe it or not, there is a cure.

This clinic will teach you how to build your horse's confidence in you and most importantly teach the two of you to have trust in each other, and it all begins with understanding.

All kinds of horses can be trained to be police horses, there is no reason your horse can't be taught the same things. The fact is, training a horse to be "spook proof" is just another training method. Like all other training methods, it requires a working knowledge of techniques used in police training. And, like all training, with enough practice your horse will learn to trust you and "go forward" through whatever you tell them to go through with little or no resistance..
